Haverhill, MA -- May 6, 2008 – Adamson Industries Corp™, a leading provider of law enforcement vehicle equipment and installation services, today announces the availability of its 2008 catalog and the official launch of its newly designed web site at [www.adamsonindustries.com](http://www.adamsonindustries.com) that showcases the most advanced vehicle equipment and technology for law enforcement and public service agencies. Adamson's comprehensive catalog offers one-stop shopping for fleet managers responsible for upfitting and designing state of the art vehicles for police, fire, EMT, tactical, and other public service agencies. The 2008 catalog features Adamson's exclusively designed Intimidator™ replacement grille designed to deliver enhanced warning power, as well as a range of vehicle products including anti-theft devices, hide-a-way LED systems, K-9 interiors, light bar systems, radio consoles, spot lights, trunk organizers, window screens, and more.

“We are excited to release our expanded 2008 catalog and introduce our new web site,” stated Steve Contarino, CEO, Adamson Industries Corp. “Our web site is designed to help our customers find the products they want faster and easier. The 2008 catalog introduces several new products that help police departments and public service agencies increase safety measures while operating a vehicle, as well as provide added visibility for personnel inside or outside the vehicle. We are committed to helping our customers respond to increasing security requirements and enable them to do their job more effectively and efficiently.”
